Dear Chief Stratton,

On behalf of People for the Ethical Treatment of Animals (PETA) and our more than 6.5 million members and supporters worldwide, many of whom live in Illinois, we'd like to thank you for coming to the aid of a dog who fell through the ice of a frozen pond on February 11. Thanks to the compassionate actions of your team, this animal was able to survive a situation that could have led to a terrifying death. Members of your community are lucky to have such kind first responders who don't hesitate to help humans or other animals in need.

Thank you for your compassion.

Very truly yours,

Ingrid E. Newkirk
